Minnie owned the inn in the Hateful Eight), The Switch (original - dance tune for sure), California Dreamin' (cover - from Once Upon a Time in Hollywood - Jose Feliciano ending), Harlem Nocturne (cover - noir, old school cool), The Sundown (cover - Il Tramonto, in Kill Bill and the Good, the Bad & the Ugly), For a Fistful of Reverb (original - an update to our first original tune - thanks Bobby Other for the trumpet parts), Wolf's Tooth (original - a fuzz Davie Allan-ish song.
